

src/20252/Ejemplo042.c

```
graph TD; A[src/20252/Ejemplo042.c] --> B[stdio.h]; A --> C[string.h];
```

A diagram illustrating a C source file's dependencies. At the top, a dark gray rectangular box contains the text 'src/20252/Ejemplo042.c'. Two blue arrows originate from the bottom edge of this box and point downwards to two separate light gray rectangular boxes. The left box contains the text 'stdio.h' and the right box contains the text 'string.h'. This visualizes the source file including these two standard C header files.

stdio.h

string.h
