```
graph TD; A[src/20252/Ejemplo039.c] --> B[stdio.h]; A --> C[stdlib.h];
```

The diagram illustrates a C source file, `src/20252/Ejemplo039.c`, which includes two standard C header files: `stdio.h` and `stdlib.h`. Two blue arrows point from the source file box to the header file boxes, indicating the inclusion relationship.
